FEATURES AND HIGHLIGHTS

Technical parameters

External size (LxWxH) 800×395×855-1155mm

Technical configuration

- Air Spring for Height Adjustment 1pc
- Phenolic Resin Table Top 1pc

Material

Powder coated steel base, powder coated steel column.

Table Top

Table top is made of phenolic resin laminate with PVC cover.

Height Adjustment

Height adjustment by gas spring, used single-handed according to the convenience of the user.

Casters

Easy to install, more stable and firmer
High quality medical caster, 1.5 inch /2 inch mute wheel.

Matching Design

It can be used with the bedside table, which is easy to disassemble. The combination of dining table and cabinet functions can serve two purposes and save space.
